

Are you **PROUD** of where you live?

If so, help us to make it even better

Your local Council is not just responsible for collecting tax; its actions affect our everyday lives, including planning, rubbish collection, environmental protection, leisure facilities, car parking, housing and much more.

To run effectively, we need residents wanting to stand for election as councillors - residents who care passionately about their neighbourhood and are willing to stand up for the issues that matter most.

Whilst each Council needs political thinkers, most councillors are not politicians; they are local champions who believe in public service and want to do what is right for their neighbours and the local community.

To help you decide if you would like to be a local councillor, we are holding a series of "open days".

You will hear from senior councillors about the work that councils do in the community and from our local Agent who will tell you about campaigning and the support you will receive from the Conservative Party. Finally, over coffee, you will have an opportunity to speak one-to-one with experienced local Conservative councillors who will answer any questions you might have.

There is no obligation, so to register your interest, please complete and return the reply slip below and we will be in touch.

Who are your local Councillors? People just like you.....

Many people would make good councillors but don't volunteer because they don't know what's involved. Others may simply not know how to go about it or are put off by a lack of understanding.

As we consider recruiting candidates for the future we want to hear from all of those people who have much to offer but may not even be members of a political party. Perhaps that person is you...

That's why your local Conservatives are contacting you.

I am interested in joining the Conservative Party

Your local Conservatives in South Warwickshire

Who are we and what do we do?

The Conservative Party is thriving in South Warwickshire, with many talented local councillors and active party members. Kenilworth, and villages from Lapworth to Eathorpe, are in the Kenilworth and Southam seat represented by the Attorney General, Jeremy Wright, whilst the Warwick and Leamington seat is currently held by Labour....for now!

If you are interested in politics, enjoy meeting like-minded people, or simply believe in Conservative values, then joining the Party in South Warwickshire might be for you.

We organise campaigning - all year round - to support our candidates for all elections - both local and national. It is sometimes hard work but always fun. Throughout the year we host events - from garden parties, quiz nights and BBQs, to formal dinners with guest speakers.

Some of our members support the Party but do not get actively involved. You can do as much or as little as you want! If you are interested in joining or just want to know more please reply using the slip overleaf.

WHAT DOES THE CONSERVATIVE PARTY STAND FOR?

The Conservative Party stands for a free society and a strong nation state; we want to give people more opportunity and power over their lives, to make families stronger and society more responsible, and to make Britain safer and greener.

We believe in trusting people. To help individuals grow stronger by sharing responsibility, we help society grow stronger.

We believe that there is such a thing as society, but it is not the same thing as a state.
